October 13-16, 2022. Men's Cursillo @ OLM

There once was a strongman at a circus sideshow who demonstrated his power before large audiences every night. Toward the end of one performance, he squeezed the juice from a lemon between his hands. He said to the onlookers, "I will offer \$200 to anyone here who can squeeze another drop from this lemon."

A thin older lady hobbled up the stage. She picked up the lemon and clamped it between her two frail, boney hands. She squeezed. And out came a teaspoon of lemon juice.

The strongman was amazed. He paid the woman \$200 but privately asked her, "What is the secret of your strength?"

"Practice," the woman answered. "I have been treasurer of my church for forty-two years!"
